

GenminInterface

```
classDiagram
    class GenminInterface
    class Genmin
    Genmin --|> GenminInterface
```

The diagram illustrates a class hierarchy. At the top is a gray rectangular box labeled 'GenminInterface'. Below it is a white rectangular box labeled 'Genmin'. A red arrow points from the top of the 'Genmin' box to the bottom of the 'GenminInterface' box, indicating that 'Genmin' implements or inherits from 'GenminInterface'.
