

brent::func_base

```
graph BT; A[brent::func_wrapper] --> B[brent::func_base]
```

The diagram illustrates an inheritance relationship. A light gray box at the top contains the text 'brent::func_base'. A dark gray box at the bottom contains the text 'brent::func_wrapper'. A blue arrow points vertically from the top of the 'brent::func_wrapper' box to the bottom of the 'brent::func_base' box, indicating that 'brent::func_wrapper' inherits from 'brent::func_base'.
