

MinfinderInterface

```
classDiagram
    class MinfinderInterface
    class Minfinder
    Minfinder --|> MinfinderInterface
```

The diagram illustrates a class hierarchy. At the top is a gray rectangular box labeled 'MinfinderInterface'. Below it is a white rectangular box labeled 'Minfinder'. A red arrow points from the 'Minfinder' box up to the 'MinfinderInterface' box, indicating that 'Minfinder' implements the 'MinfinderInterface'.
